4 THINGS UKRAINIAN WOMEN LOVE TO DO

Alex Vidal | April 28, 2015 | European Women

Looking to [date an Ukrainian woman](#) with the goal of making her your girlfriend, lover or wife is a very common scenario these days. Lots of guys have embarked on this journey both online and offline. There is a relatively high percentage of failed to-be relationships in this field and while there are several factors that contribute to this, a key factor is incompatibility.

Cultural differences is a very broad topic to talk about and we need to begin somewhere. This article explains what Ukrainian women are into so you'd understand more about how they perceive the world and how they're influenced by their culture.

4 Things Ukrainian Women Love to Do

1. Spend time with family

Ask any Ukrainian woman you like, they would much rather spend time with family than be preoccupied with anything else. These ladies are very family oriented and care about the opinion of their family members. If you date a Ukrainian woman you are expected to meet the family. Don't forget to bring gifts for each member of the family – the gifts don't have to be expensive.

2. Beautification

You've probably heard the stereotype that Eastern-European women are gorgeous and it is very much true. There are a couple of reasons for this: 1. Great genes and 2. They put a significant amount of effort into making themselves look fantastic. In both the Ukrainian and Russian culture women are expected to look presentable so they dress up, wear beautiful make up and love to work out.

3. Bar or a Night Club?

You'll find lots of Ukrainian ladies who love to hang out at clubs and bars. In their country this is actually a great way to meet ladies – going out to bars or night clubs. Polish up your game – look confident, dress fashionable and sound confident as well.

4. Close to Nature

Things point may surprise you, especially because of the previous point but these ladies love to go on hikes, camping trips, long walks in nature parks and even fishing. When you make plans about where to take her on dates, consider taking her into nature for different outdoor activities. She will love your thoughtfulness!
