5 ATTRIBUTES THAT MAKE SLAVIC WOMEN SEXY

by Alex Vidal | May 16, 2015 | European Women | dating advice, dating Slavic women, online dating

Have you ever wondered what exactly is so attractive about [Slavic women](#)? It may easily be that most of them make excellent girlfriends and in the end ideal wives. Have you ever seriously thought about where that mysterious and bewitching beauty comes from? It's these 5 following characteristics:

1. The Unique Hour Glass Figure

If you're a guy that has been meeting Slavic women online for a couple of months, you've noticed that most of them have that amazing hour glass figure that is incredibly attractive and eye catching. A small waste and a slender body would make any guy attracted to these ladies. It is the most common body type in that region.

2. Strong accent & attractive languages

The quickest way to determine if a woman is from a Slavic country is listening to her accent. It has a very unique sound to it, sounds like Polish or Russian or something of that nature. If you're not into their accents then you still can't deny that if they try to sweet talk you in your language you'll melt right away.

Any Slavic accent used in a specific tone of voice and saying certain words sounds incredibly attractive. The Russian accent is the most known for this. Trust us – if a woman walks up to you and flirts with you with that accent – you won't be able to resist.

3. The Facial Features

As you may already know, Slavic ladies have amazing facial features. The perfect cheek bones, a beautiful jaw structure and stunning and sexy eyes. If she decides to flirt with you it will have an effect even if she just flirts with her eyes.

4. Love for the Arts

It is very common in the Russian culture to be into art. This is an incredibly attractive feature about these ladies. They are so versatile. You will find that lots of them love to paint or compose poems as a hobby. It would be perfect if you asked one of them out to a museum – they'll love it and art supplies are always a very good gift.

The Whole Deal!

Any guy would be very intensely attracted to a [Slavic women](#) with these attributes. We hope this article has helped you realize that dating Slavic ladies is something you should take aim at. Come back soon for more online dating tips.
