### Polish Women

Beauty is the first thing that attracts a man, and [Polish women](#) have that in abundance. They are not only beautiful, but also elegant, graceful and intelligent. They are innocent but, never take them to be naïve. These women are not looking for men with money, on the contrary, they are looking for men who can love and cherish them.

### Polish Men

If you want your relationship to be strong and long, choosing a Polish man would be the right thing to do. Polish men are intelligent, hardworking and very family orientated. They are also very caring, fun to be around and romantic. These men are not looking for sex rather they are looking for companionship and love.

### Expectation of a Polish Date

When you date a Polish man or a woman, you don't have to pretend. In fact Polish men or women would like you to be whatever they are. You should be vocal, as well as talkative, but you should not be self obsessed. Polish men or women would love to listen to you, and in return they would like it very much if you listen to them.

You should date a Polish man or a woman and we can promise you that it would be among the best experiences of your life.
