## Polish Girl is Hard to Handle for a Foreign Boyfriend – Why?

by Lipi B. | December 28, 2014 | Polish Women

[Polish girls are great girlfriends](#) and prove to be finest wives as well. However there are certain things that one has to keep in mind in order to have a successful relationship. Polish girls are very much conspicuous about certain things. Thus knowing everything beforehand can get a guy better chances to avoid any kind of hard handling.

### They are Overprotective

[Polish girls are over protective.](#) This means that a man have to be extra sensitive around them. They are mostly monogamous. This means that they will remain faithful to a single man when they are in relation with them. These girls expect their men to be faithful to them as well. So they might seem little overprotective or possessive towards their boyfriends. If they see their boyfriends getting extra friendly with some other girl then they might throw a tantrum.

### They Need Constant Praise

Polish girls are really beautiful and have a fashion sense as well. They wish to be the center of attention for their boyfriend all the time. If these girls do not get much praise from their partner constantly then they can get very sensitive. So the key to avoid any kind of heart break or argument is to praise these girls even if you are in a long relationship.

### Not Fond of Public Affection

Polish girls make great girlfriends but they are not much fond of showing public affection. As people hold hands and walk in public while having their hands on each other's waist. These girls seem to mind a lot about these gestures. They will avoid as much public affection as they can. Most foreign boyfriends can feel offended and can feel insecure about this kind of characteristic. However it not anything strange for Polish women as its simply against their norms to hold hands or show affection in public.

### Value Family System

These women and girls adore their family. They treat their mothers very well and consider their boyfriends to do the same. The foreigner men can perceive Polish mothers as controlling and hard to please. However they are very much concerned about their daughter so they tend to keep an eye on their boyfriends that can become irritating at times. The best way to avoid this problem is to be polite with ones girlfriend's mother.

Thus there are many things that can make it hard to handle a Polish girlfriend but all these can be handled with wisdom.
