## Do Polish Ladies Bother about Age Difference When Marrying

↳ Lipi B. | ⌚ December 1, 2014 | 📁 Uncategorized

Polish women had a difficult life; they have always been put on the pedestal due to the countries anarchy, unlike the Western women. Polish women are known for their strength. These women are cherished as homemakers. They turn out to be great mothers and good wives. They understand the importance of family and are willing to sacrifice for their family. They understand the worth of the family have an interest in taking care of their home.

[Polish ladies believe that family is the most important thing in the life](#), and thus one has to give up on many things in order to keep the family united. Even though many of the Polish ladies have careers, but even then their top priority is their children. Because values in which children and family comes first are incorporated in Polish culture. Having a good marriage is important to them.

### Does Age Matter for Polish Ladies? Yes or No!

[The only thing Polish ladies are concerned while dating a man is his ability to love them](#). They don't care much about the age difference. All they care is whether that guy will be sincere with them or not.

Since these women are family oriented, thus they would like to have a husband who could support them just not financially but also emotionally. Even if the guy is 20 years elder to her, she won't mind as long as he is able to love and cherish her. The guy has the ability to understand her and he is there with her through thick and thin.

Similarly, even if the guy is 10 years younger to her, a Polish girl would not care if her husband or boyfriend loves her at the most. If they have complete understanding, the age difference could hardly be a problem. Usually people say that having great age difference can cause problems such as lack of understanding. But if a Polish girl and her boyfriend, regardless the age difference, have understanding then there is nothing to worry about.

These educated women have the knowledge how to run homes. They know what is important and when it is important. They are patient and understanding, thus having a husband or boyfriend of any age hardly matters. They will be able to live a comfortable life with them, create a wonderful family and live happy domestic life.
