Russian girls care a lot about the way they look, that is why they always look perfect. Even if they don't have the money to buy fancy jewellery or expensive designer garments, they know how to use what they've got. Russian ladies are very fashionable and can often look like they just stepped off a runway. They take pride in their appearances and they care about the way they look. They enjoy dressing up and looking sophisticated.

4. Russian women are educated and smart
